

SMALL BUSINESS GRANT COMMITTEE

The City of Falmouth wishes to create a committee for the purpose of implementing a Small Business Grant. The committee will oversee the establishment of criteria, the application, and scoring process of the grant. Funds are being set aside to assist small, brick and mortar businesses in their efforts to operate in the City of Falmouth. We are seeking two (2) city residents willing to serve on the committee along with two (2) council members, Mayor, and City Clerk. Interested parties are asked to submit their names via email to City Clerk Ramona Williams at rwilliams@cityoffalmouth.com to include address and daytime phone number/email address. More information about the grant will follow once a committee is formed.
