

If you are interested in being put on a City Council Agenda in order to speak at a meeting, these are the guidelines needed in order to do so. In lieu of COVID, we will be doing virtual meetings via ZOOM. Information will be posted to our City website as well as our City facebook page with the link and instructions to join. Please take note of Item #4.

The same process will hold true for virtual meetings as well, as there would not be in-person meetings. Should you have any questions, contact the office 859-654-6937.

1. Our meetings are the first and third Tuesday of EVERY month.
2. The first meeting of each month (2nd Tuesday) is a Caucus meeting, no decisions/no motions are made/no votes taken, and no official agenda as this is departmental reporting meeting and for general discussions. As always, the public is welcome to attend.
3. The second meeting of the month is the Regular Business meeting with full agenda.
4. It is customary for anyone wishing to be added to the official agenda to call the office by Friday noon before that following Tuesday meeting.
5. If this does not take place, the agenda would have to be amended the night of the meeting to allow guests to speak at said meeting, who also "sign-in" with said request.
